

Bringing together the global dewatering industry

Are you ready to showcase your industry insights, projects, and innovations to a vast audience?

[The Groundwater Engineer Magazine](#), our highly anticipated annual industry trade magazine, is your platform to shine. Dive into the latest news, cutting-edge projects, enlightening case studies, and the latest equipment trends. But that's not all – The GEM isn't just a magazine; it's your bridge to an evergrowing network.

Share your success stories, contribute your expertise, and make your mark in the industry. The GEM is distributed widely across the TDI network of 61 members and a social media reach of 20,800+, your voice will reach professionals, decision-makers, and peers in every corner of the industry. And

that's not all - with printed copies globally dispersed through our esteemed founding members and traders, your influence will resonate worldwide. Be more than a reader; become a contributor. Your stories could inspire, educate, and transform the industry. The GEM is more than a magazine; it's an opportunity to be heard, seen, and remembered. Submit your stories, articles, and ideas today and let your expertise illuminate the path for others.

Additionally, if you're seeking to amplify your reach, consider advertising in The GEM. Showcase your brand to our ever-growing network, solidify your industry presence, and connect with professionals who value innovation and excellence. Don't miss this chance to make a lasting impression.

Submit your content and secure your advertising spot today – together, we'll shape the future of the industry through The GEM.

Editorial and advertising opportunities are now available, click the button below to view the Rate Card & Media Kit. Or contact [Riette at riette@dewateringinst.com](mailto:Riette@dewateringinst.com) for more information.

We look forward to receiving your editorial submissions!

How To Become A TDI Member

Not a TDI member yet? Join our growing and thriving community of industry specialists and gain access to exclusive events, online trainings and other content.

As a member of The Dewatering Institute, you will benefit from our community-driven knowledge sharing, education, best practices and networking within the dewatering and groundwater control industries.

Benefits as a TDI Member

TDI's purpose is to expand and promote the dewatering industry by educating as well as sharing best practices. In order to grow and develop the community, we need to grow together. These are 5 benefits of becoming a member:

- 1- Connect with industry professionals and share best practices.
- 2- Get access to our membership database.
- 3- Share your services
- 4- Access to training programs and events.
- 5- Stay up to date with the latest industry developments.

Click [this](#) link to read the benefits and more.
